

Having cancer is hard. Finding help shouldn't be.

# Just for New Patients and their Families: Orientation Class

You're invited to get to know us and the services we provide.

Learn about:

- How to access free services and financial assistance
- What to expect as a new patient
- How to find reliable information about your diagnosis
- How members of your healthcare team can help you
- How to connect with other patients and cancer survivors

Sessions held two times a week:

**Wednesday afternoons at 3:00 p.m.**

**Friday mornings at 10:00 a.m.**

**Mission Hope Conference Room, First Floor**

1325 East Church Street, Santa Maria

Questions? Please call **805.346.3402** or just come!

**Cheryl Decker, MD,**  
Director, Survivorship  
and Supportive Care  
Program

**Jenni Davis,** Oncology  
Counselor/Patient  
Advocate

■ Led by experienced professionals, the orientation class covers a lot of useful information for patients, their families and caregivers to help them navigate an unfamiliar world.

Patient orientation classes also available in Spanish. Please call for an appointment: **805.346.3406.**
