Visit faraway lands, meet fascinating characters or travel through time. Reading makes your imagination come to life, taking you away from whatever hardships or challenges you may be facing. Reading is a reward for the soul. Even more enlightening is a lively discussion afterward! Join the conversation as we gather to share our thoughts and insights about what we have read.

**Reservations required. Please call to reserve a spot or for more information or monthly book title: 805.346.3402**
