

Mission Hope Cancer Center is pleased to invite you to our

Breast Cancer Support Group

Research has shown that actively engaging in a support group helps to manage the physical, emotional and practical challenges a breast cancer diagnosis can bring. Support groups offer a safe and empowering setting where people can implement important life changes, develop new attitudes and forge meaningful personal connections. **Join us on Zoom.**

**Wednesdays, September 2, 16
and October 7, 21
4:00 to 5:30 p.m.**

For more information and/or to register, please contact Julie at 805.346.3405 or Carol at 805.474.5302

Carol Dichmann, RN, BSN
Oncology Nurse Navigator

■ As an Oncology Nurse Navigator, Carol hopes to help people with cancer feel empowered with the knowledge and confidence to make it through their journey of a cancer diagnosis. She has extensive experience in many facets of oncology—including as an expert hand holder and cheerleader.

Julie Neiggemann, RN, MSN
Oncology Nurse Navigator

■ Julie brings many years of experience in both oncology and education to her position as an Oncology Nurse Navigator at Mission Hope. With a commitment to whole-person care, Julie delivers health care with empathy and compassion to each patient as she provides education, support, and connection with resources.
