

Say hello to...

Colleen O'Kelly Priddy, MD, FACS, and Jonathan Tammela, MD, FACOG

Colleen O'Kelly Priddy, MD, FACS
Breast Surgical Oncologist

About Colleen O'Kelly Priddy, MD, FACS:

- Dr. O'Kelly is Board Certified in General Surgery and subspecializes in Breast Surgical Oncology
- Dr. O'Kelly is a Stanford University Alumni and earned her medical degree from University of Nevada School of Medicine. She completed her residency in General Surgery at University of Washington and went on to do a subspecialty fellowship in Surgical Breast Oncology at the University of Southern California
- Dr. O'Kelly received the Muzzy Family Endowed Fellowship in Oncoplastic Surgery award in 2016 for excellence in oncoplastic surgery, which is a surgical approach to treat breast cancer effectively while leaving the breast appearing as normal as possible afterward

"I believe in compassionate, evidence-based breast cancer care that is tailored to each patient's personal situation and needs."

—Colleen O'Kelly Priddy, MD, FACS

Jonathan Tammela, MD, FACOG
Gynecologic Surgical Oncologist

About Jonathan Tammela, MD, FACOG:

- Dr. Tammela established the first full-time Robotic Gynecologic Oncology program in Northeast Wisconsin and has performed more than 1000 robotic surgeries
- Dr. Tammela earned his medical degree from Indiana University School of Medicine. He completed his residency in OB/GYN at the University of Florida, Jacksonville and went on to do his subspecialty training in Gynecologic Oncology at Roswell Park Cancer Institute in Buffalo, New York
- Dr. Tammela treats all types of gynecologic cancers and is triple board certified in Gynecologic Oncology, Hospice and Palliative Care, and Obstetrics and Gynecology
- He has won several awards including "Innovator of the Year Award" for cancer treatment and robotic surgery

"I am committed to offering patients the most up-to-date, evidence-based therapies, including Robotic Surgery when appropriate."

—Jonathan Tammela, MD, FACOG
