

Male cancer patients, survivors, family members and caregivers are encouraged to attend.

# Discussion Group for Men with Cancer

Katie Crafton, MSW,  
LCSW  
Oncology Social Worker

Many men find that sharing their experiences with fellow patients who can empathize along with the guidance of an experienced professional helps them manage their stress and figure out solutions to problems.

Back to in person meetings!

**Fourth Thursday of the month**  
**9:00 to 10:00 a.m.**

Facilitated by Katie Crafton, MSW, LCSW, Oncology Social Worker, these meetings provide a relaxed forum to discuss issues, exchange information, share concerns and get answers. On occasion, meetings feature educational presentations given by qualified speakers; please see Mission Hope website or newsletter for current information. This group meeting is designed to benefit men at any stage of the cancer journey.
