Jonathan Tammela, MD, FACOG

Gynecologic Surgical Oncologist

■ Triple board certified in Gynecologic Oncology, Hospice and Palliative Care and Obstetrics and Gynecology, Jonathan Tammela, MD, FACOG, provides highly specialized care in the diagnosis, treatment, and management of cancers affecting the female reproductive tract and is highly skilled at minimally-invasive robotic surgery. He has won several awards including “Innovator of the Year Award” for cancer treatment and robotic surgery. For more information, please call **805.346.3456**.

Gynecological cancers encompass all cancers of the female reproductive system, including the cervix, ovaries, fallopian tubes, uterus, vulva, and vagina. Jonathan Tammela, MD, FACOG, Gynecologist Oncologist, will discuss risk factors and important updates in the diagnosis and treatment of these cancers. Session includes a question and answer period; bring your questions.
