

TWELFTH ANNUAL EVENT!

Celebrating the women in our community with a fun two-part event focusing on wellness, education, and finding joy

# Girls Night Out

**Thursday, October 13, 2022 • 5:00 p.m.**

**Mission Hope Cancer Center**  
1325 East Church Street, Santa Maria

Seating is limited for this special event; please call Mission Hope now to register at 805.219.HOPE (4673)

Wei Bai, MD

K. April Kennedy, MD

Colleen O'Kelly  
Priddy, MD, FACS

Ben Wilkinson, MD,  
FACRO

April Schirmer (left) and Lisa Murray (right) of  
Two Life Coaches, One Purpose

After the interactive session, hear from 'Two Life Coaches, One Purpose' to gain valuable insight on the topic of Identifying Energy Drainers and Gainers.

- Learn how to choose wisely between the energy drainers and energy gainers in your life.
- Engage in simple exercises, a worksheet, and an open, safe conversation so that you walk away feeling positive and energized!

*This popular event fills up quickly.*

First, join us to learn from our expert medical panel as they lead a discussion about Breast and GYN Oncology.

- Wei Bai, MD
- K. April Kennedy, MD
- Colleen O'Kelly Priddy, MD, FACS
- With Master of Ceremonies Ben Wilkinson, MD, FACRO

Get your questions answered in our popular interactive session.

- *Appetizers and champagne served*
- *Raffle giveaways throughout evening*
