

WOMEN SUPPORTING WOMEN

Mission Hope Cancer Center is pleased to invite you to our quarterly in-person

Breast Cancer Support Group

Lindsey Hughes, RN, BSN, OCN
Oncology Nurse Navigator

General Breast Cancer Support Group

Facilitator: Lindsey Hughes, RN, BSN, OCN

Time to step away from our screens and get together to see each other face to face! Join us at a local ice cream parlor as we gather in person to celebrate sweet friendships with a sweet treat. Experience the strength and hope that is found through meaningful friendships.

■ As a Breast Cancer Nurse Navigator Lindsey knows how difficult it can be for patients to navigate the complex health care system and is determined to support and guide families through these difficult times. Her goal is to provide treatment, symptom management, support, and laughter throughout the entire health care continuum so patients can focus on their health and maintain the quality of life they deserve.
