All tools and materials supplied. No previous experience necessary.

Making Jewelry with Susan Johnson

SANTA MARIA ONLY

The classes will be TOTALLY FREE of charge and all tools and supplies will be provided. The projects will be to make simple costume jewelry—mostly earrings—but class may also include making a bracelet and/or a pendant to keep things interesting. Depending on the number of attendees we probably can do more than one project per session, especially earrings. There will not be any complicated processes involved; mostly gluing, stringing beads, painting, and bending wire to make simple loops. The goal is to have fun and make pieces that people will actually want to wear or give as gifts.
